Monday to Sunday

Valid 12 December 2021 to 15 May 2022

Welcome to the East Midlands Railway timetable for EMR Regional services between Leicester and Cleethorpes

Since March 2020, we've been working hard to ensure we've been there for the people who have needed us the most by continuing to operate vital services for key workers, school children and others who have had to make essential journeys.

To enable you to travel with confidence, we've boosted our investment in measures to keep our trains and stations clean, and we will continue to make this a high priority throughout 2022. We have taken customer feedback on board, and know that the cleanliness of our trains and stations is of paramount importance to you.

EMR is within the early stages a transformational journey, through investment in new rolling stock and comprehensive infrastructure enhancements on the East Midlands route. As we continue to look ahead, we've got a number of exciting things happening across our network.

In May 2021, we introduced a new timetable. It became clear very quickly, that it wasn't performing as well as we, or our customers, expected. Due to the impact of covid, staff absences and the late delivery of trains, it led to short notice cancellations and difficult journeys. We are very sorry for the disruption and inconvenience caused to our customers during this period. We are now in a much better position to be able to implement changes which will improve performance and provide a reliable experience across our network.

From Sunday 12 December, we will reinstate a total of 22 services in the EMR Regional timetable. This equates to a total of 486 trains per day which is 87 more than operated in the timetable which was in place immediately before 16 May 2021.

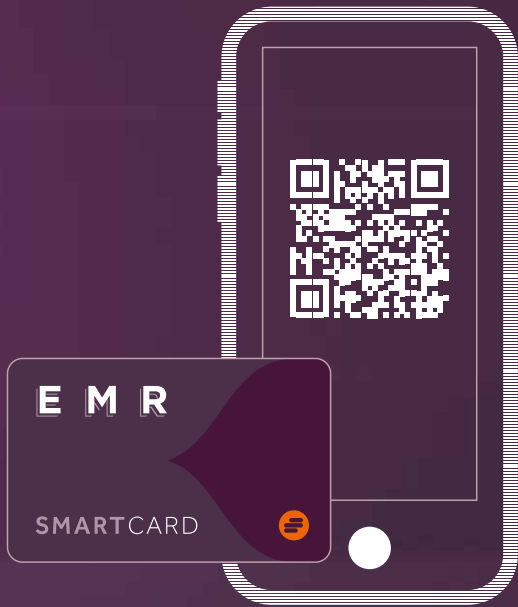

This includes the full reintroduction of our Liverpool-Norwich service group, the plugging of a number of peak time gaps as well as other targeted reintroductions.

We look forward to welcoming you on board very soon.

Will Rogers
Managing Director
